Self-check — Role Play: Foundations of Selling

Tick each item you have completed. Any blank is a gap to close before your group presents at the debrief.

#	Criterion	Evidences	✓
1	Jessica's opening line explicitly set a non-pushy, human mindset before any pitch.	LU1	
2	At least one genuine Gap Question and one Why-Why-Why chain were actually used, not skipped.	LU1	
3	The Observer can name a specific Cialdini principle in play, with the exact line quoted.	LU1	
4	A concrete trust-builder (not just words) was offered before the close attempt.	LU1	
5	The round ended with a specific, dated next step John could repeat back.	LU1	

Debrief check

The observer can quote at least one specific mindset moment, one genuine Gap Question, one attempt at naming John's emotion, one named principle of influence, and one real buying signal — with the exact line cited, not a general impression.
